FOR IMMEDIATE RELEASE:

Ferndale, Michigan February 22, 2017 – The New Unison Corporation ("Unison") is pleased to announce it has been selected as a winner of the Innovation in Custom Manufacturing Award sponsored by the International Business Innovation Association. Awards are based upon nominations from over 100,000 business professionals including the general public as well as the subscribers of Corporate LiveWire Magazine which is located in Birmingham, England. As a result of achieving this Award, Unison will be featured in various forms of media distributed to over 500,000 businesses and professionals throughout the world.

Unison offers its products on a worldwide basis with international sales and support provided in Australia, Italy, Israel, Thailand, Korea, Singapore, Malaysia, Taiwan and Japan. Unison has over 50 years of experience in manufacturing grinding equipment and markets its equipment under the TruFlute and DedTru tradenames with over 10,000 equipment installations serving the medical, dental, aerospace, automotive, off-highway, plastics, and petrochemical industries. For additional information regarding the products of Unison, please contact our Marketing Department at (248) 544-9500; fax us at (248) 544-7646 or e-mail us at sales@unisoncorp.com.
